

# ABOUT US

Founded in the year 1968, Jayant Printery made its humble beginnings with one Offset and Photo-Typesetting Machine. From 220 sq.ft. to 45,000 sq.ft. after 40 long and fruitful years. Jayant Printery today is recognized as one of the most reputed printer in India.

This success can be attributed to a number of reasons such as a meticulous eye for detail, an uncompromising attitude towards quality and the diligence and commitment of a dynamic team. Today, Jayant Printery is equipped with the same state-of-the-art machines and equipment that are found amongst the best printing houses in the world.

Aside from the continuous process of modernization and investment in human resources, there is a distinct emphasis on the quality of service that we provide.

This has been the sole driving force behind the success of Jayant Printery in fact each and every team member regardless of their position in this 150 employee strong organization is an ardent follower of this way of thinking.

In other words, from the supplier to the client, everyone is provided with the highest standards of service that they have come to expect from Jayant Printery. A seal of quality that stands as a benchmark of excellence.

# ABOUT US

## **Vision**

To develop the society by learning and spreading knowledge.

## **Mission**

To maintain highest standard of service.  
To constantly and continuously develop innovative paper products.  
To make India well known in the world of quality.  
To generate value for all stakeholder.

## **Goals**

To achieve a dominant share in Indian print market.  
To generate more than 30% revenue from exports.  
To diversify into packaging.

I must confess  
I love my press,  
For when I print  
I know no stint  
of joy!  
*- Edwin Roffe (1861)*

# CAPABILITIES

Every stage of our business requires us to be on our toes with regard to technology and infrastructure. Proper calibration of machines and strict inspections at various levels of printing and processing are a must. This is why we recognize it as one of our major strengths. Simply because our policy of keeping up with the pace of technology and processes as well as various staff training programs has enabled us to be one of the major players in our segment by producing quality work and which we are sure will stay with us as we look ahead.

## Infrastructural strength in Pre Press
